

UHV CONFLICT MINERALS POLICY

As concerned citizens of the global community, UHV Sputtering Inc. is proud to maintain a business environment that lends itself to protecting humans as well as the environment. To that end, and as required by the Conflict Minerals provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act, HR 4173, Section 1502 (“Conflict Minerals Act”), UHV Sputtering continually assesses our suppliers, and shall take warranted actions to ensure that our products do not contain conflict minerals that directly or indirectly finance or benefit armed groups in the Democratic Republic of the Congo (DRC) or any adjoining (‘covered’) country. These actions will include conducting reasonable country of origin inquiries and, as necessary, obtaining reliable certificates of origin for all materials that might possibly originate in the DRC areas or an adjoining country.
